Cool! 😊

So I'm trained to use Cognitive Behavior Therapy (CBT)

I know what CBT is

Great. The beauty about talking to me is that we can learn together in the context of your everyday life

I'll teach you how to crush self-defeating thinking styles

How?

How?

I use different tools like curated videos, word games, and tools that teach something

sounds good

VIDEOJUEGOS EXPERIMENTALES

- Introducen novedades en el medio lúdico cuando se publican.
- Exploran un concepto en profundidad.
¡MUCHAS GRACIAS!

"The most dangerous thought that you can have as a creative person is to think that you know what you are doing" Bret Victor.
